WHY CHOOSE ESAFE?

Our cutting-edge ESAFE [Educafe Skills Assessment for Employability] is designed to empower individuals like you to choose job roles you are most suited for. Whether you're a recent high school pass out or graduate looking for a job, a seasoned professional, or someone in between, our tool is tailored to meet

WHAT SETS US APART?

Different levels of assessment: Choose your educational level – high school/higher secondary; technical or graduate, and take the appropriate assessment. Get the best job fitment for that profile.

Comprehensive Evaluation: We assess your interest areas, abilities, personality cluster and behavioural traits to get a complete picture of your unique profile, to fit you for a job you are best suited for.

User-Friendly Interface: The entire assessment is online. Navigate through the assessment with ease, making the process enjoyable and insightful.

Instant Feedback: Receive immediate feedback on your fitment for different job roles and your strengths and areas for improvement.

Two levels of reporting: Check whether you are immediately employable or whether you need just that little extra, to become employable.

KEY FEATURES OF OUR ASSESSMENT TOOL

1. Skill Proficiency Analysis

Identify your strengths and weaknesses across key employability skills such as ability to manage time, attention to detail, rule consciousness, and more.

2. Personalized Development Plan

Receive a customized report indicating your areas of interest, abilities where you excel, your personality type as well as your behavioral traits. Find out your fitment for the job roles you selected and check whether you are employable or trainable in them. Further, check job roles that the algorithm fits you for. Maximize your potential and stand out in the competitive job market.

3. Personalized guidance

Talk to our in-house counselors and experts to stay ahead of the curve. Understand the skills most valued by employers in your field.

How It Works

- **Register:** Create your account on our website: www.educafe.com
- **Buy:** Click on ESAFE under products and buy it.
- **Assess:** Go to your dashboard and complete the comprehensive skills assessment at your own pace.
- **Analyze:** Receive your customized report instantly on your skills and fitment for the job roles you have selected.
- **Get extras:** Expand your horizons. Receive your fitment for job roles you may not have selected but which the AI algorithm suggests you can think about.
- **Plan:** Talk to our in-house experts – use a personalized development plan to chart your path to success.
- **Grow:** Engage in targeted learning modules and real-world simulations to enhance your skills
